

One Page Profiles-Focus child

Dear Parents and Carers,

Our approach to teaching is based on getting to know each child as an individual in order to support their learning, development and well-being. Your child is going to be focus child next week so all the staff will be thinking about what your child is interested in and planning ways in which to support their learning. We would like to take this opportunity to update their one page profile and we would be very grateful if you and your family could complete and return these sheets to nursery as soon as possible. When completing the sheets please;

- Write **TWO** things that your child is proud of about themselves. This may include things such as: I look after my pets really carefully. I am really good at making lego models. I can ride my bike. I can jump really high. I am great at telling stories.
- Then **YOU AS PARENT/CARER** write **TWO** things that you are really proud about your child. This may be things such as: They never give up, even when faced with challenges. They make people smile. They are brilliant at understanding other's feelings. They are lovely with their elderly grandparents. They brighten my day.
- **This section provides you with a wonderful opportunity to share with your child and with us at school all those magical aspects of your child and their development. This is so important for us to be aware of, and to appreciate.**
- Write all the things that are **IMPORTANT** to your child at this moment in time. This may include their favourite toy, their favourite activity, their favourite book, special people, special places, special pets.

- This section is important to us as it gives us a picture of the 'whole child' and provides us with a great way of knowing the children.
- Write your top tips that you think are important for your child's keyworker to know about your child. This might be things that particularly worry them or upset them.
- This section is so important for the keyworker to have a clear picture of how to support your child and their learning.

If you have any photographs of your child enjoying some of their favourite things at home you can e-mail them to:
